

your action plan

An action plan is developed after you have analyzed your skills and interests and researched possible occupations. Match your skills and interests to an occupation, decide on a career goal and plan how you will reach that goal.

Complete the chart below to create your own action plan that will help you reach your educational and career goals:

What are your current interests?	What are your current skills?
What is your career goal?	
What are the requirements necessary for reaching your career goal? What type of degree do you need to have? What skills do you need to possess?	
What have I done so far <i>in</i> high school to reach my education and career goals?	What do I still have to do <i>in</i> high school to reach my education and career goals?
What do I need to do <i>after</i> high school to reach my education and career goals?
